

PUBLIC LEDGER

WEEKLY REPUBLICAN—1867.
DAILY PUBLIC LEDGER—1899.

MAYSVILLE, KY., TUESDAY, APRIL 28, 1903.

ONE COPY—ONE CENT.

IF PA COULD BE A BOY.
I've often heard my papa say
He wish he was a boy;
That life would be one grand sweet song.
With nuthin left but joy.
If that is what he really thinks
I wish he'd take a try.
An' if he had to keep it up
I bet that pa would die.
He couldn't wallow round in bed
Till it was after eight.
An' then get up as mad as hops
'Cause ma had called him late.
He couldn't spit the coffee out
An' call it pizened slush.
An' say the eggs weren't fit to eat,
An' ask who burnt the mush.
Fer if he tried such things as these
Ma'd yank him by the hair,
An' fix him so he'd rather stand
Than sit upon a chair.
He couldn't come home 'ate at night
An' then begin to scold
Because he'd made us wait so long
The grub had gotten cold.
He couldn't shove his plate away
An' say he weren't no hog;
He couldn't swear, he couldn't smoke,
He couldn't kick the dog.
He couldn't rush out to the club
An' have a little game,
An' then come home in such a way
He didn't know his name.
He couldn't knock off work nex' day
An' lie around in bed.
While ma cracked up great chunks of ice
An' packed it round his head.
If he could be a boy again
I think it might suit ma.
But you can bet your button boots
It wouldn't do for pa!

To make their stay interesting, THE LEDGER will give to each and every visitor a \$10 bill for each and every misstatement he can find that this paper made during the prevalence of the disease.

There's no danger now; so come right along.

The Rev. T. DeWitt Talmage says—
"A newspaper whose columns overflow with the advertisements of business men has more influence in attracting attention to and building up a city or town than any other agency that can be employed. People go where there is business. Capital and labor will locate where there is enterprising community. No power on earth is so strong to build up a town as newspapers well patronized, and this power should be appreciated."

How to Ward Off an Attack of Rheumatism.

"For years when springtime came on and I went into gardening, I was sure to have an attack of rheumatism and every attack was more severe than the preceding one," says Josie McDonald, of Man, Logan county, W. Va. "I tried everything with no relief whatever, until I procured a bottle of Chamberlain's Pain Balm, and the first application gave me ease, and before the first bottle was used I felt like a new person. Now I feel that I am cured, but I always keep a bottle of Chamberlain's Pain Balm in the house, and when I feel any symptoms of a return I soon drive it away with one or two applications of this liniment." \$100—Reward—\$100.

The readers of this paper will be pleased to learn that there is at least one dreaded disease that science has been able to cure in all its stages and that is catarrh. Hall's Catarrh Cure is the only positive cure now known to the medical fraternity. Catarrh being a constitutional disease, requires a constitutional treatment. Hall's Catarrh Cure is taken internally, acting directly upon the blood and mucous surfaces of the system, thereby destroying the foundation of the disease, and giving the patient strength by building up the constitution and assisting nature in doing its work. The proprietors have so much faith in its curative powers that they offer One Hundred Dollars for any case that it fails to cure. Send for list of testimonials. Address, F. J. CHENEY & CO., Toledo, O.

THE BEE HIVE!

A BIG CIRCUS!

Once upon a time there was a great circus in Coatsville, and the circus had such a great reputation that country people many miles around came to see it; in fact, a great many that came had a hard time to get standing room. This circus always played at Coatsville, and of course the merchants of Coatsville had big trade. Around Coatsville there were a great many little country towns, and they found that their little circus did not bring the crowds or even keep the people from going to Coatsville, so these little places had a meeting and decided to pass laws to keep the people home, and placed guards with a big gun on all streets and put a big sign on the gun that read, "Don't go to Coatsville, for we have a circus of our own that needs booming;" but the people went through the fields. MORAL—See that your own circus is all right and you need not bother about others.

REPUBLICAN CONVENTION.

The Republicans of Mason county will meet at the Council Chamber in the city of Maysville at 2 o'clock Saturday afternoon, May 20, to select Delegates to the Railroad Convention which meets at Paris on Wednesday, May 21.

WILLIAM D. COCHRAN, Chairman.

A NEW device to prevent locomotive wheels from slipping magnetizes the drivers so that they stick to the rails.

SOME day, perhaps, it will be known who actually fired the shot that killed GOEBEL; and the name of the man will not be JIM HOWARD.

THE Democrats who are denouncing the "Machine" now thought it was the proper thing so long as it was applied to Republicans.

ADDRESSING a meeting of Anarchists in New York City JOHN MOST, who was recently released after having served a term of imprisonment on Blackwell's Island, declared that JOHN MITCHELL was either a fool or knave for not snubbing the Anthracite Strike Commission.

"As to Kings," he said, "there is an idiot on the throne of Russia, and in England they have an idiot for a King; in Italy the ghosts of Popes play high jinks, but what is a Pope compared to a MALATESA or to a BRESCI? Anarchists are the only pure, noble, gentle and high people in the world."

And yet MOST and his dastardly cut-throats say that this is not a free country!

Mr. Davis, an American, who has expended considerable sums in exploring works near Thebes, Egypt, has found a splendid chariot in the tomb of King Thothmes.

From 1870 to 1900 the agricultural productions of the United States increased 92 per cent. and the exports 131 per cent. During the same time the products of manufactures increased 209 per cent. and the exports 538 per cent.

In response to urgent telegrams from the Utah Senators, Secretary Hay has directed Ambassador Tower to investigate the action taken by the authorities in Prussia and Mecklenburg relative to the expulsion of Mormon missionaries.

The total wealth of the world has been estimated at \$400,000,000,000. Of this total the greater part is owned by Americans and Europeans. The United States has somewhere near \$100,000,000,000, or about one-fourth of the whole.

A GREAT RECORD.

Hard to Duplicate It in Maysville.

Scores of representative citizens of Maysville are testifying on the following subject. Such a record of local indorsement is unequalled in modern times. This public statement made by a citizen is but one of the many that have preceded it and the hundreds that will follow. Read it:

Mrs. W. F. Woodward, residing at West End near Pogue's Distillery, says: "Pains in the back and other evidences of a disturbed condition of the kidneys were quickly and thoroughly cured by the use of Doan's Kidney Pills which I got at J. Jas. Wood & Son's Drugstore corner of West Second and Market streets. There is no reason why ladies should suffer from backache and kindred troubles when such a reliable and effective preparation can be had."

For sale by all dealers. Price 50c. Mailed by POSTER-MILBURN CO., Buffalo, N. Y. Sole Agents for the United States. Remember the name—DOAN'S—and take no substitute.

CHRONIC COUGHS

OFTEN ARE THE BEGINNING
OF CONSUMPTION.Stop Your Cough and Avoid
Future Trouble.We Will Guarantee That We
Can Do It For YouOur Vinol is the Remedy for all
Pulmonary Affections.Vinol is a preparation that is de-
licious to take.It consists of a delicate table wine
in which has been dissolved the active
curative principles that are found in
the liver of the live cod, and to which
cod-liver oil owes its reputation as a
remedy for coughs, colds and all wasting
diseases.If there is any one who has a cough,
a tendency to take cold easily, or a
dread of consumption, we would like
to have them call and permit us to ex-
plain what we know about Vinol and
why we believe it will cure all such
troubles more surely and quickly than
any other remedy ever given to the
public.Following is a letter which has just
come to hand and which shows how
beneficially Vinol acted in one instance:
"I had a severe cough of long stand-
ing. I was advised by friends to give
your Vinol a trial, which I did. Before
taking it I had tried many other reme-
dies for coughs without obtaining any
relief. With Vinol it was different. I
have now used four bottles of it, and
am pleased to say my cough has almost
entirely left me. I have been decidedly
benefited by its use in every way. Very
truly yours."—H. E. SMALL, Boston, Mass.Vinol acts beneficially upon the di-
gestive organs, enabling them to ob-
tain for themselves the elements from
which are made firm healthy flesh
tissue, sound muscle, strong bone struc-
ture and pure blood.

We recommend Vinol unreservedly.

If you will call on us at our store, we
will tell you why we have such faith in
this new wine of cod-liver oil.We guarantee that if you suffer from
any symptoms that indicate troubles for
which we know Vinol is intended, we
will refund to you your money if you
don't find Vinol helps you.**JOHN C. PEGOR,**

A TIME OF DANGER!

Thousands in Peril From Blood
Diseases and Nerve Trou-
bles Developed During
the Winter Months.Paine's Celery
CompoundThe Great Spring Blood Purifier,
Nerve Bracer and Health
Builder.Paine's Celery Compound is the wonder of
the age! Its marvelous virtues are discussed
amongst interested medical men, and its cures
are talked of at every fireside.As a spring-health giver, Paine's Celery
Compound stands far ahead of all other known
remedies; it has no worthy competitor in the
vast field of medicine.To a large extent, the present popularity of
Paine's Celery Compound is due to the fact that
it has accomplished some of its most astonish-
ing cures in the spring season—a time when
men and women usually complain of ill health,
loss of vitality, tired feelings—a time when
people feel dull, listless, despondent, and ambi-
tious.Today there are thousands of business men,
mechanics, farmers, and dear wives and mothers,
too, who, though able to walk around, are,
nevertheless, sadly "out of health."
At this season, Paine's Celery Compound is
the great health restorer and strength giver for
the "out of health" people—for those who are
perilously nearing some organic disease.
Paine's Celery Compound used at once, will
quickly remove every trace of poison from the
blood, brace up the weak nerves, build up the
tissues, and tone the digestive organism.If you, dear reader, feel that your health is
not as robust and vigorous as it should be, let
us honestly suggest the use of Paine's Celery
Compound that has so wonderfully blessed your
neighbors and friends. Be assured, "it makes
sick people well."

A Sweet Breath

Is a never failing sign of a healthy stomach.
When the breath is bad the stomach is out of
order. There is no remedy in the world equal to
Kodol Dyspepsia Cure for curing indigestion, dys-
pepsia and all stomach disorders. Mrs. Mary S.
Crick of White Plains, Ky., writes: "I have been
a dyspeptic for years. Tried all kinds of reme-
dies, but continued to grow worse. By the use of
Kodol I began to improve at once, and after tak-
ing a few bottles am fully restored in weight,
health and strength and can eat whatever I like." Kodol
digests what you eat and makes the stom-
ach sweet. J. Jas. Wood & Son.

from the race for the Democratic nomination
for Governor, leaving Governor Beckham with-
out opposition.In a card to the public Mr. Hendrick said he
believed that it was impossible for him to win,
being unable to visit the majority of the coun-
ties, and he did not wish to do anything that
might injure the party. He took the step after
a conference with several of his leading
supporters.The entrance fee of Mr. Hendrick will be
returned to him and Governor Beckham will
put up \$2,500, the assessment to enter the
Democratic State Primary.Mr. Hendrick has cancelled all of his engage-
ments to speak, and notified the printer not to
place his name on the ballots.

Due Notice is Served.

Due notice is hereby served on the public gen-
erally that DeWitt's Witch Hazel Salve is the only
salve on the market that is made from the pure
unadulterated witch hazel. DeWitt's Witch
Hazel Salve has cured thousands of cases of piles
that would not yield to any other treatment, and
this fact has brought out worthless counterfeits.
Those persons who get the genuine DeWitt's
Witch Hazel Salve are never disappointed, be-
cause it cures. J. Jas. Wood & Son.

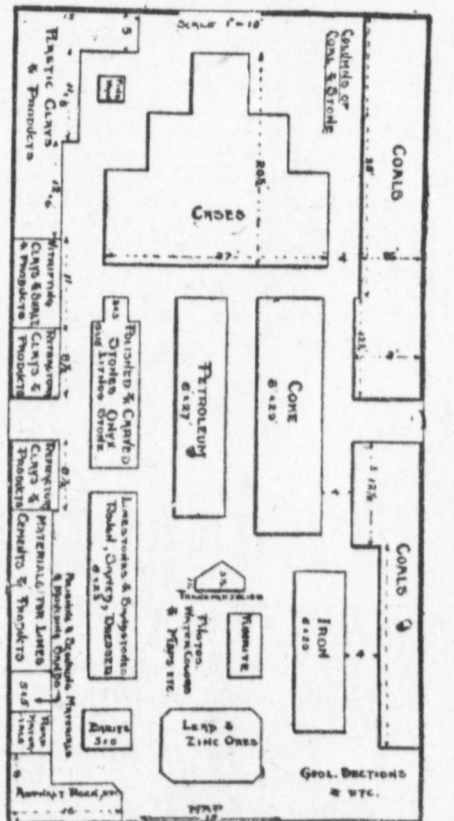

"MINED IN KENTUCKY."

This Placard Will Become Fa-
miliar at World's Fair.

GRAND DISPLAY OF OUR RESOURCES.

Six Thousand Square Feet of Space
Secured For Kentucky's Mineral
Exhibit in the Mines and
Metallurgy Building at
the Exposition.The floor plan of Kentucky's min-
eral exhibit, to be installed in the
Mines and Metallurgy building at the
exposition in St. Louis next year, is
made public this week by the Ken-
tucky Exhibit association. It was
drawn by Professor C. J. Norwood,
state inspector of mines, who is chief

C. J. NORWOOD,

Chief Counselor to Mineral Exhibit
Committee, Lexington.counselor to the mineral exhibit com-
mittee of the association, and has been
approved by the chairman of the com-
mittee, former Mayor Chas. P. Weaver
of Louisville. It has been conceded
by everyone with the slightest knowl-
edge of Kentucky's mineral resources
that the Blue Grass state is wealthier
in this regard probably than any other
commonwealth in the Union. This is
a fact that is to be brought promi-
nently to the attention of thousands and
thousands of visitors at the exposition.
A study of the floor plan will show
that every variety of mineral is to be
given a good display. Chairman
Weaver has surrounded himself with
expert committeemen on these min-
erals and Kentuckians may rest as-
sured that the best exhibit ever made
of her wealth beneath the surface will
be found at the St. Louis fair. The
floor plan shows only 5,000 feet ofFloor Plan of the Mineral
Exhibit.space. In addition to this the associa-
tion has secured 1,000 square feet to
be used in other parts of the Mines
and Metallurgy building, and herein
will be installed duplicate exhibits of
coal, crude oil, clays, asphalt, etc.

ONE EXHIBIT TO COST \$10,000.

Kentucky will have the distinction
of installing one of the largest refrig-
erating machines to be shown at the
World's fair. Mr. Gardner T. Voor-
hees, the refrigerating engineer and
expert in charge of the refrigerating
department at the exposition, was in
Louisville a short time ago and in-
vited the Henry Vogt Machine company
to put in a 200-ton refrigerating ma-
chine at the fair. The invitation was
accepted and a contract signed to that
effect. A machine of 200 tons refrig-
erating capacity is about equivalent to
a machine that will make 100 tons of
ice each 24 hours. The Henry Vogt
Machine company will expend \$10,000
in making this exhibit.

Good For Children.

The pleasant to take and harmless One Minute
Cough, Care gives immediate relief in all cases of
Cough, Croup and LaGrippe because it does not
pass immediately into the stomach, but takes ef-
fect right at the seat of the trouble. It draws out
the inflammation, heats and soothes and cures
permanently by enabling the lungs to contribute
pure life-giving and life-sustaining oxygen to the
blood and tissues. J. Jas. Wood & Son.

THE FARMER FAILS

In health just as does the city-man, and
he fails commonly from the same cause,
"stomach trouble." The farm is a
wholesome place to live; but no external ad-
vantages can overcome the effects of a
diseased stomach. When the stomach
and its allied
organs of diges-
tion and nutri-
tion are dis-
eased, the food
eaten is imper-
fectly digested
and assimilated,
and the conse-
quent loss of
nutrition results
in physical de-
bility.Dr. Pierce's
Golden Medical
Discovery cures
diseases of the
stomach and
other organs of
digestion and
nutrition, and
enables the per-
fect digestion
and assimilation
of food. It
builds up the
body with sound flesh and solid muscle."I used ten bottles of Dr. Pierce's Golden
Medical Discovery and several vials of his
Pleasant Pellets a year ago this spring, and
have had no trouble with indigestion since,"
writes Mr. W. T. Thompson, of Townsend,
Broadwater Co., Montana. "Words fail to tell
how thankful I am for the relief, as I had suf-
fered so much and it seemed that the doctors
could do me no good. I got down in weight to
one hundred and twenty-five pounds, and was
not able to work at all. Now I weigh nearly
one hundred and sixty and can do a day's work
on the farm. I have recommended your med-
icine to several, and shall always have a good
word to say for Dr. Pierce and his medicines."The sole motive for substitution is to
permit the dealer to make the little more
profit paid by the sale of less meritori-
ous medicines. He gains; you lose,
therefore accept no substitute for "Golden
Medical Discovery."

PUBLIC LEDGER

The strike at the Ironton Portland Cement Company's works has been adjusted and the men have returned to work.

The Bonanza for Pomeroy passes up tonight.

The Tacoma will be down from Pomeroy tonight.

The Virginia will be up tonight for Pittsburgh.

The sidewheel steamer Calumet is ten feet wider than the Indiana, supposed to be the widest boat afloat.

Captain Dan Lacy died Saturday at his home in Newport. He was formerly Clerk on one of the Pittsburgh boats.

An answer to the challenge made by Captains W. B. Rodgers and Thomas M. Rees of Pittsburgh to test a regular sternwheel steamer and a screw propeller with a tow of coal in the harbor is expected today. Rivermen are anxious as to the outcome of the challenge.

The wickets at Herr's Island Dam in the Allegheny river are being raised for the first time this season and also for the first time permanently since the dam was constructed. It is expected that the work will be completed today, after which the Government employees will raise the Davis Island Dam wickets. Herr's Island Dam is in excellent shape, excepting a few of the wickets have been twisted by the floods and by boats running upon them. The locks are still operated by hand, but it is likely that steam power will be placed in before long. Some days have as many as forty boats passing through the locks, and in cases of this kind the hand power is not as rapid as is desired. There is equipment for steam, and the traffic in coal up stream and lumber down stream is becoming so heavy that quicker manipulation will be needed.

For liver troubles and constipation. There's nothing better in creation. Than Little Early Risers, the famous little pills. They always effect a cure and save doctor bills. Little Early Risers are different from all other pills. They do not weaken the system, but act as a tonic to the tissues by arousing the secretions and restoring the liver to the full performance of its functions naturally. J. Jas. Wood & Son.

REGULAR STEAM PLOW!

The Steamer Virginia Rips Up a Section of the Grade.

When the steamer Virginia was rounding to at the wharf a little after 10 o'clock last night she "got away" from the Pilot and Engineer in some manner not known.

She headed straight for the bank under a strong head of steam, and barely missing the ferry-boat plowed her way into the edge-paved grade a distance of some fifteen feet, leaving a perfect model of her bow in the stone and earth.

Strange to say, she escaped damage, not even showing a leak.

It is safe to say there are not many boats that could successfully withstand such a shock.

A reward of \$100 has been offered for the recovery of the body of Henry Davis Collings, aged 16, who was drowned last Wednesday afternoon at Manchester.

The old American House in Ashland, which was nearly destroyed by fire a month or so ago, has been pulled down. This building was erected about forty-five years ago by John Worthington, father of former Lieutenant-Governor W. J. Worthington of Greenup, but recently it had been the property of the Hon. William H. Castner of Rush.

ITCHING ECZEMA

And Other Itching, Burning and Scaly Eruptions.

Instant Relief and Speedy Cure Afforded by

Cuticura Soap, Ointment and Pills When All Else Fails.

COMPLETE TREATMENT, \$1.00.

The agonizing itching and burning of the skin, as in eczema; the frightful scaling, as in psoriasis; the loss of hair and crusting of the scalp, as in scalled head; the facial disfigurement, as in pimples and ringworm; the awful suffering of infants and the anxiety of worn-out parents, as in milk crust, tetter and salt rheum, all demand a remedy of almost superhuman virtues to successfully cope with them. That Cuticura Soap, Ointment and Pills are such stands proven beyond all doubt. No statement is made regarding them that is not justified by the strongest evidence. The purity and sweetness, the power to afford immediate relief, the certainty of speedy and permanent cure, the absolute safety and great economy, have made them the standard skin cures and humour remedies of the civilized world.

Bathe the affected parts with hot water and Cuticura Soap, to cleanse the surface of crusts and scales and soften the thickened cuticle. Dry, without hard rubbing, and apply Cuticura Ointment freely, to allay itching, irritation and inflammation, and soothe and heal, and, lastly, in the severer forms, take Cuticura Resolvent Pills, to cool and cleanse the blood. A single set is often sufficient to cure the most torturing, disfiguring and humiliating skin, scalp and blood humours, with loss of hair, when all else fails.

CLOTHING TALK!

There is something about the Hart, Schaffner & Marx Clothing by which you may identify them even more certainly than the label. It goes into them before the label. It is a style, a quality, a tailored-by-hand touch to them, a harmony of fabrics, trimmings, etc., a thoroughbred look about them never found in other clothing. The fact that we can't define it doesn't make it any less real. You can see it without fully realizing what it is. We can't show it or tell you fully about it until you wear the clothes. Then we won't need to. This incomparable line is for men and confined to us.

But we have provided as well for the boys and children. We invite inspection and comparison of both goods and prices.

OUR MERCHANT TAILORING DEPARTMENT, under the supervision of Mr. Charles F. McNamara, is the only one in the city paying Union prices and having all work done at home. Ask to see one of our made-to-measure Suits. You can get them cheaper elsewhere, but not like ours.

Let us show you our new Shirts, new Hats, new Neckwear, etc., etc.
